

PATROL

A class of its own.

First-class looks, capability, safety, and technology, all working to serve those with discerning tastes. With six generations of SUV heritage, the Nissan Patrol dominates in absolute class once again.

0

PATROL

Built to go beyond.

The Nissan Patrol's 5-Year Warranty gives another level of luxury - the guarantee of expert assistance and your vehicle's reliability.

Experience first-class technology.

In one of the most luxurious Nissan vehicles ever, you can expect state-of-the-art technology to keep you safe wherever you go.

Intelligent Around View Monitor with Moving Object Detection

Parking is easier than ever.

PATROL

The Intelligent Around View Monitor with Moving Object Detection gives you a 360° bird's-eye view of your Nissan Patrol. Selectable split-screen close-ups offer a combination of front, rear, and curbside views. The display also gives you an on-screen heads-up when the system detects moving objects near your Patrol.

Blind Spot Warning with Intelligent Blind Spot Intervention

Change lanes with confidence. The Blind Spot Warning gives you visual and audible alerts when it detects vehicles hidden from sight to help your Patrol avoid vehicles within your blind spot. If the Intelligent Blind Spot Intervention detects that you're trying to change lanes while another car is in your blind spot area, it can gently apply the brakes and help guide your Patrol back into your lane.

Intelligent Forward Collision Warning with Intelligent Emergency Braking

Every second counts. Get more reaction time with the Intelligent Forward Collision Warning that watches two cars ahead, and when it detects sudden deceleration in front of you, it gives you a visual and audible alert to slow down. The Intelligent Emergency Braking automatically engages the brakes to help avoid a frontal collision or lessen the severity of an impact.

Lane Departure Warning with Intelligent Lane Intervention

Stay between the lines. When lane markings are clear, the Lane Departure Warning sends a visual and audible alert so you can know when your Patrol is moving beyond the lane. When the Intelligent Lane Intervention detects that you're straying out of your lane, it gently taps the brakes to help guide your vehicle back.

Rear Cross Traffic Alert

Fear no parking lot or driveway. When you're backing out of your space, the Rear Cross Traffic Alert watches around the rear of your Patrol and gives you visual and audible alerts when it detects vehicles creeping up on you from either side.

Intelligent Cruise Control

Go with the flow. The Intelligent Cruise Control watches the flow of traffic to give you a more luxurious and smoother ride. The system helps maintain an adjustable speed and a set distance between you and the vehicle ahead.

7" ADVANCED DRIVE ASSIST DISPLAY DISPLAY OF IUXULY.

PATROL

The 7" Advanced Drive Assist Display gives you a larger view of both entertainment and information functions, from real-time navigation, to playlist selection, and even trip details and fuel economy info access.

TARDA AN THE TAR

Hill Start Assist

Helps you in managing steep inclines and hill ascents. Preventing the vehicle from rolling backwards, it holds pressure on the brake for a few seconds, providing enough time to switch from the brake pedal to accelerator.

Hill Descent Control

Going down steep hills is more manageable with this technology. It automatically adjusts your speed and brake pressure to help you cruise along safely.

Grand at first glance.

The iconic V-Shaped Front Grille gets an update for a constant commanding presence on the road.

PATROL

An eye for detail.

The High Beam Assist system automatically switches the headlights setting from high beam to low beam when it detects a vehicle ahead.

7-SPEED A/T WITH MANUAL MODE Geared for greatness.

Drive with a smooth-shifting 7-Speed Automatic Transmission that gives instant access to the engine's power while ensuring efficient cruising at highway speeds.

PATROL

VARIABLE 4x4 MODE SELECT All around, all-year round.

Allows you to effortlessly switch betweeen four drive modes - Sand, On-Road, Snow, and Rock.

5.6L V8 ENGINE Roaring power.

Just what you'll need to lead - a 5.6L V8 Direct Injection Gasoline (DIG) Engine with a Variable Valve Event & Lift System (VVEL) that's capable of producing up to 405 PS and 560 Nm of torque.

First-class travel.

Arriving at any destination you wish is one thing, but getting there with complete authority is something the Patrol was built for. When it comes to looks and performance, this SUV is unrivaled.

PATROL

THE LAND

ELECTRONIC LOCKING REAR DIFFERENTIAL

Delivers equal power to both rear wheels for maximum traction in the most difficult terrains with just a press of a button.

LIMITED SLIP DIFFERENTIAL

Senses wheel spin and redirects power to the wheels that have grip.

HYDRAULIC BODY MOTION CONTROL

Two hydraulic systems ensure a comfortable ride even when going off-road by absorbing road bumps and reducing body lean when cornering.

MODERN YET CLASSIC HEADLAMPS

C-Shaped LED Daytime Running Lights and LED Headlights provide high luminescence to make the Patrol truly shine.

20" ELEGANT ALLOY WHEELS

Every turn with these wheels emphasizes the Patrol's prestigious exterior.

BRILLIANT LED TAIL LAMPS

The LED tail lamps with sequential turn signal lights illuminate the rear for safety and elegance.

CONTEMPORARY DESIGNED REAR PRIVACY WINDOWS

Enjoy the privilege of privacy and personal space.

PREMIUM TRIMS

Black wood veneer and fine leather give the dashboard and center console a first-class finish.

· (\$) = (\$)

5

TRI-ZONE AUTOMATIC CLIMATE CONTROL

Complete the luxury experience by staying cool and riding in superior comfort.

CANNE

VIP SEATING

4-Way Power Adjustable Climate Control Front Seats provide an undeniable feeling of class and comfort.

SRS AIRBAG

ROOMY INTERIOR

The Patrol's interior provides a comfortable atmosphere throughout every journey with its spacious cabin that provides ample legroom.

Innovation with every touch.

A breadth of high-end features designed to give an executive treatment. Tap. Touch. Press. It subtly responds to serve your requests. That's what innovative luxury is, making it all feel effortless.

BOSE® Premium Audio System uses top-of-the-line technology to give the finest version of your ride through remarkable sound clarity.

Wireless Apple CarPlay brings along your contacts, messaging apps, playlists, and more, with the help of Siri. Effortlessly sync your iPhone and go.

Android Auto knows where you're going and when. It's got Google Maps and Google Assistant to help you navigate and stay on top of your schedules. Pick songs, change destinations, or reply to messages hands-free through voice commands.

12.3" ADVANCED TOUCHSCREEN DISPLAY AUDIO

The Patrol comes with a 12.3" Advanced Touchscreen Display Audio that puts a suite of premium tech features at your fingertips.

NAVIGATION

The navigation feature helps you from getting around traffic, to seamlessly taking you to your appointment locations.

MOBILE PHONE WIRELESS CHARGING

A Mobile Phone Wireless Charging feature allows you to charge your phone without the need of cables.

185 (23) ####___

6.12

DRIVER MEMORY FUNCTION

The Patrol can save up to 2 driver profiles, each saving the settings for the driver's seat, steering wheel, and side view mirror positions.

INTELLIGENT KEY SYSTEM

The Intelligent Key needs no inserting to lock or unlock the door. It also allows you to just press a button to open and close the power tailgate.

PUSH BUTTON IGNITION

The Push Button Ignition starts and stops the engine with just a press.

Comfort and convenience goes a long way.

Traffic? Long drive? Bad weather? No matter what, it's always going to be a pleasant ride. Every feature and amenity in the Patrol is just waiting to make your trip the highlight of your day.

FIVE-STAR FEATURES

A sunroof and a built-in cooler box let you enjoy the journey as much as the destination.

POWER TAILGATE

With a simple push of a button, the tailgate can raise and provide enough cargo space for your leisure and business trips.

Advanced protection.

The Patrol is built with a network of proactive safety technology to ensure confidence in any ride.

VEHICLE DYNAMIC CONTROL WITH ANTI-BRAKE LIMITED SLIP

Confidently make every twist and turn with this responsive and efficient system that helps stabilize the balance of the car.

PARKING SENSORS

An assistant that goes wherever you go. The Patrol's parking sensors warn the driver through audible and visual alerts on any obstructions when parking.

MULTURE DESIGNATION

6 SRS AIRBAGS

In a case of collision, 6 SRS Airbags automatically inflate to reduce the impact for the driver and all seated passengers.
