Exciting Mobility Through Connectivity

Stay connected to your Almera like never before with NissanConnect Services — a first in the subcompact sedan category. Control many of your vehicle's features with just a tap, receive maintenance alerts, and get immediate assistance in case of an emergency.

SAFETY AND SECURITY

Get emergency assistance during an accident and receive real-time vehicle alerts on your phone based on set restrictions with Zone Alert, Speeding Alert, and Curfew Alert.

CONVENIENCE

Stay connected to your Nissan and enjoy remote features such as Remote Engine Start/Stop and Remote Horn and Lights through any compatible smartphone.

EASE OF OWNERSHIP

Get alerts on vehicle maintenance schedules and easily track your mileage in the journey history.

Available in VL variant only.

Subcompact sedans are rarely packed with tech. The new Nissan Almera changes all that. It comes with the best of Nissan Intelligent Mobility, features that make daily driving a hassle-free and enjoyable experience.

Intelligent Around View Monitor with Moving Object Detection**

Using four cameras, the Intelligent Around View Monitor with Moving Object Detection gives you a virtual 360° view of your surroundings that can help you park in even the tightest spaces. It also provides visual and audible alerts when a moving object is detected nearby.

Blind Spot Warning*

Helps you keep an eye on blind spot areas. It gives you visual and audible alerts when it detects vehicle hidden from sight, so you have more confidence when changing lanes.

High Beam Assist*

Automatically switches to low beam headlights when it detects a vehicle ahead and turns the high beams back on when needed.

*Available in VL variant only.
**Available in VL and VE variants only.

Innovation that looks out for you.

Imagine being surrounded by confidence on your every drive. The Almera's intelligent features monitor what's around you and can step in and take action to help keep you out of trouble.

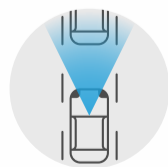

Intelligent Forward Collision Warning**

The Almera is on the lookout to keep you safe. It provides audible and visual alerts when sudden deceleration happens in front of your vehicle. It also warns you when to slow down.

Intelligent Emergency Braking**

In case of a possible collision, the Intelligent Emergency Braking system kicks in to reduce speed and help avoid a frontal impact with a vehicle ahead.

Lane Departure Warning*

Enhances your safety by making sure you only change lanes when you mean to. It gives you visual and audible alerts when it detects an unintentional lane departure.

Agile and powerful.

Smooth handling and a powerful 1.0-liter turbocharged engine make the New Nissan Almera a sedan that's engineered to give you exciting performance.

TURBOCHARGED EXCITEMENT

The Almera's new 1.0-liter turbo HRA0 engine delivers a maximum power output of 100 PS and a hefty 160 Nm* of torque, while its variable valve timing technology gives you more thrilling performance without sacrificing fuel efficiency.

*MT 160 Nm; CVT 152 Nm.

Tailored with attention.

Soft touch materials and premium contrast stitching make the new Almera's interior a cut above the rest.

AUTOMATIC CLIMATE CONTROL

The automatic climate control system features a stylish control unit that lets you dial in your perfect temperature. Just set it, and the system adjusts accordingly to maintain the ideal level of air-conditioned comfort.

7" TFT METER WITH ADVANCED DRIVE-ASSIST DISPLAY**

Lets you tailor every detail of your drive from audio, to fuel efficiency, to driving aids, and more. Have all the information you want and need at a glance.

NISSAN 8" ADVANCED DISPLAY**

The smartphone connectivity Audio with Apple CarPlay and Android Auto allows you to seamlessly sync to your world by connecting your smartphone to conveniently access music, navigation, and calling features.

**Available in VL and VE variants only.
